

義工服務中心

義工服務中心為義務工作發展局屬下的服務單位，是積極行義理念能得以實踐的重要一環。我們鼓勵社會各界人士及團體加入我們的「香港義工團」成為會員，透過「義工轉介服務」與需要義工支援的非牟利團體進行配對。以更有效發揮義工專長和技能為目標而設立的「專才義工網」服務隊，為非牟利團體及弱勢社群提供優質義工服務。我們的核心工作亦包括各義工協作項目，與各界合作伙伴共創切合社會需要及具成效的義工服務計劃。

Volunteer Action Centre

Embodying the spirit of volunteerism, the Volunteer Action Centre (“VAC”) is a subordinate unit of the Agency for Volunteer Service. We encourage individual and corporate volunteers from all backgrounds to join our network of Hong Kong Community Volunteers, and start gaining access to a wide spectrum of service opportunities available at the many NGOs which are seeking volunteers via our Volunteer Referral Service. Volunteers with specialized skills and talents are welcome to also join our Volunteer Talent Bank, maximizing the positive impacts their skills could bring to NGOs and their beneficiaries. Through working closely with partners from different sectors, VAC co-creates and organizes mega and partnership projects, mobilizing volunteer efforts to effectively address the needs of our community.
